

MAGNETIC MOUNT

MAGNETIC SMARTPHONE ACCESSORY MOUNT

The Magnetic Mount is a versatile magnetic mounting system for attaching microphones, lights and other accessories to any MagSafe® iPhone® or other smartphone with a magnetic case. It features an ultra-strong magnet for complete security, even with vigorous use, and comes with three removeable attachments for maximum flexibility. This includes both short and long cold shoe arms for shooting in landscape or portrait mode, plus a long arm for mounting your smartphone onto a tripod, handle or desktop arm for use in a wide range of video or content creation applications.

- Attach mics, lights and other accessories to your smartphone
- Short and long cold shoe arms for landscape or portrait use
- Long arm with 1/4-inch thread for mounting smartphone onto a tripod, handle or desktop arm
